Highlights

Taroko became a national park in 1986, including Hualien County, Nantou County and Taichung City. Taroko is famous for its spectacular mountains and marble canyons. Cliffs and canyons stretch along Liwu River. Four million years ago, the island of Taiwan was formed by the collision of plates.

A scenic cycling and walking route in northern Taitung County nearby Chishang Township, Mr. Brown Avenue is a road running through golden rice fields with a beautiful picturesque settings. Described as a "green road of paradise", this long, open road is a favourite for cyclists and visitors wanting to ride comfortably through peaceful fields with a beautiful mountain view.

In the recent post by a well-known travel website "BootsnAll", Taiwan's Kaohsiung MRT system gained 2 placings in the top 15 most beautiful train stations in the world. Formosa Boulevard Station is place 2nd in the list, being one of the busiest stations along Kaohsiung MRT system, it is certainly the most beautiful one.

The center of any visit to Anping is the old fort. Anping Fort is built on the foundations of the Dutch stronghold named Fort Zeelandia. That fort was the anchor point of early settlements in Tainan for both the Dutch and the Chinese, and much of the settlement's history lies in Anping's old streets surrounding the fort.

Come to Changhua Lugang, a place full of humanities, in addition to the Lukang Longshan Temple, Lugang Tianhou Palace, and many other famous national historical sites, as well as human attractions such as Lugang Old Street, Moruxiang, Panqiang, Banbianjing, etc., Feel the quaint town atmosphere of Lugang

The Sun Moon Lake, located in the middle of Taiwan, with an elevation of 748 meters above sea level, is the only natural big lake in Taiwan. The southern part of Lalu Island is shaped like a new moon, and the northern part is shaped like a sun; hence the name Sun Moon Lake.

Tour Details

Day 1

Qingshui Cliff→Taroko National Scenic Area

【Qingshui Cliff】 Situated between Heren and Chongde on the Su-Hua Highway, Qingshui Cliff is a big formed by Chongde, Qingshui and Heping mountain coastal cliffs. Creating a magnificent scene, it stretches more than 21km and rises vertically from the Pacific Ocean, with an average height of over 800m. This section of cliff is composed of gneiss and marble. It has risen straight up on the eastern coast of Taiwan for thousands of

years. The route along the Qingshui Cliff is the only coastal road in Taroko National Park. The site of the Qingshui Cliff was designated in 1953 by the Taiwan government as one of the island's "Eight Wonders."

【Taroko National Scenic Area】 Named after the local Truku aboriginal tribe, Taroko National Park is one of Taiwan's most beautiful sights. Created by the continual rising of the mountains combined with the erosive power of the Liwu River, Taroko Gorge with its tall, almost flat walls are a true marvel to view. Besides the gorge, other attractions include aboriginal settlements, temples, museums, and numerous hiking trails for visitors to experience the true beauty of mountainous Hualien County and eastern Taiwan.

Day 2

Mr. Brown Avenue (With bike experience)- Luye HighPlatform- Chulu Ranch

【Mr. Brown Avenue】 A scenic cycling and walking route in northern Taitung County nearby Chishang Township, Mr. Brown Avenue is a road running through golden rice fields with a beautiful picturesque settings. Described as a "green road of paradise", this long, open road is a favourite for cyclists and visitors wanting to ride comfortably through peaceful fields with a beautiful mountain view. The road was first made famous by Takeshi Kaneshiro in a series of advertisements for Mr. Brown Coffee.

【Luye High Platform】 Luye Highland (aka Luye Platform, Luye Gaotai), is a hill in Taitung County's Eastern Rift Valley, and is one of the most popular spots in the country for hot air ballooning and paragliding. Every summer since 2011, the longest running hot air balloon festival in Taiwan has been held here. Even if you are not a fan of going high in the sky, the area has beautiful scenery, especially of the surrounding eastern rift valley.

【Chulu Ranch】 The Chulu Ranch, is the largest slope ranch with 70 hectares. Besides the 500 tons of fresh milk produced by Holstein cows every year, dairy products and skincare products are also sold on site. Visitors can experience the European-styled pastoral life with various facilities such as the maple trail, open range, forest bath area, grass-surfing area and the cow eco farm.

Day 3

The British Consulate at Takow - Xiziwan- Formosa Boulevard Station (The Dome of Light)

【The British Consulate at Takow】 The British Consulate at Takao is a building in the British style which was constructed in 1879, and is situated beside Shaochuantou Wharf, with a mountain behind and the sea in front. It is the oldest extant modern Western building in Taiwan, and was also the first consulate the British government built in Taiwan. The consul's residence and consulate have been preserved in their entirety, as well as an old hiking trail which leads up the mountain.

【Xiziwan】 Xizihwan Bay is known for its beautiful sunset and natural reefs, and the area includes scenic spots like the Xiziwan Beach, Seaside Park, and the former British Consulate at Takao. You can enjoy the view of the sea, or gaze over Kaohsiung Port. The inscription on the gate of the Shaochuan artillery position, currently classes as a third-grade national heritage site reads "Kaohsiung Town North Gate". It was built at the same time as Cihou (Qihou) Fort, to cover different fields of fire. Today, the cannons

	are gone- only 3 gun emplacements remain for people of the future to wonder about. 【Formosa Boulevard Station】 Ranked second-most beautiful metro station in the world, the Formosa Boulevard Station is definitely a site to be seen while visiting Kaohsiung. The station is known for its "Dome of Light", the largest glass work in the world, designed by Italian artist Narcissus Quagliata. It is 30 metres in diameter and covers an area of 2,180 square metres, made up of 4,500 glass panels..

Day 4	Chi Mei Museum- Anping Old Fort. 【Chi Mei Museum】 CHIMEI Museum is a comprehensive museum with wide collections of Western art, musical instruments, weaponry and natural history. There are permanent exhibition galleries, one temporary exhibition gallery and sculpture halls in the main building. As a museum for all, we hope our visitors will enjoy and cherish these timeless valuables and find their favorites among them. 【Anping Old Fort.】 In 1624, Dutch built the first fort in Anping, Taiwan, called "Fort Zeelandia", now known as Anping Old Fort, where has been the administrative center of the Dutch regime, and the hub for trading. The building was originally constructed in square inner fortress and rectangle outer walls. In 1661, the fort was renamed as Anping to commemorate his home town when Guoxingye (Cheng Cheng-Kung) has driven the Dutch out of Taiwan. Therefore, Fort Zeelandia was also known as "King's Fort" or "Taiwan Fort", nicknamed Anping Old Fort.
