1 day - Taipei Night Life

Travel in Taipei at night! You will visit historical temple, experience night market culture, and see the tallest building in Taiwan.

Highlights

Longshan Temple was founded in 1738 by Han immigrants. It is dedicated to the Bodhisattva of mercy, Guanyin. The temple becomes one of the city's top religious sites, and a prime venue for exploring both Taiwan's vibrant folk faith and its unique temple arts and architecture.

Designing a superb high-rise landmark is enough to transform the city and represent the culture of the city. Like the Empire State Building in New York, the Eiffel Tower to Paris. With a height of 509.2 meters and a 101 floor, it is the tallest building in Taiwan. It has the record of the world's tallest building from 2004 to 2010.
